

Employment Opportunity

With a brand-new terminal building and a track record as the fastest growing airport in the Maritimes over the past decade, YFC connects New Brunswickers with the world. Home to over 20 companies employing more than 300 New Brunswickers, YFC offers flights to Canadian hubs and sun destinations.

More than just a transportation gateway, YFC is an interesting and dynamic place to work, a significant employer and a cornerstone of our region's economic vitality.

In a large and complex facility such as an airport, with thousands independently moving parts and staff and people, the efficient operations of our mechanical systems are all-important to ensure the smooth running of the entire facility.

We are currently seeking a certified journeyman Millwright/Industrial Mechanic to join our team on a full-time basis.

Summary

Positions:	Airport Building Maintenance (ABM)
Salary:	As per Collective Agreement
Terms of Employment:	Full time (40 hours per week); probation period of 6 months
Application deadline:	October 7, 2026

What we're looking for

The successful candidate will have completed a formal apprenticeship or technical school program, gained maintenance industry experience, and hold a journeyperson certification as an Industrial Mechanic or Plumber. The Airport Building Maintenance team is responsible for HVAC, plumbing, water distribution and treatment, and general building maintenance, so candidates must be able to work in all these areas. Preference will be given to Red Seal-certified individuals, but we accept applications from anyone with experience in these fields. Airport experience is an asset, but on-the-job training will be provided on the airport's specialized systems and regulations.

This position requires a valid driver's licence. Security clearance, restricted radio operator's permit and airside vehicle operator's permit training will be provided by the airport.

The successful candidate will:

- maintain the airport's mechanical systems, equipment, and installations,
- support the management team to develop operational plans and budgets,
- ensure that safety comes first, and
- be a flexible, positive, and dynamic team member!

What's in it for you?

YFC has an unwavering commitment to the safety of our employees and travellers, and people are the heart of our organization. We strive to be empathetic, respectful, and inclusive in our relationships as we support travellers, vendors, partners, airlines, and our community.

In addition to a competitive salary, we offer a full suite of benefits such as pension, on the job training, opportunities for growth and medical benefits paid for by the employer.

We are an equal opportunity employer, and welcome applications from all qualified candidates.

Applications must be received at one of the following addresses no later than 4:00 p.m. on October 7, 2026.

By Mail: Fredericton International Airport Authority
c/o Human Resources & Administration Manager
2570 Route 102 Hwy, Unit 22
Lincoln, New Brunswick E3B 9G1 Canada

By Email: dykep@frederictonairport.ca

Note: We thank all applicants in advance, however, only those selected for an interview will be contacted.

Fasten your seatbelts. Together, we're really going places!
